

Edina Boys Flag Football Grievance Policy

Grievance Procedure:

In the event you, as a player or parent, have a complaint regarding an incident, please try to resolve it by talking with the coach. If the issue is not resolved in a personal conversation with the coach, please present a signed and dated letter to the President of the Board detailing the incident. The President of the Board is listed on the Boys Flag Football Website at www.edinaboysflagfootball.com. The President will respond within two days of receipt of the grievance. The President will let you know the next steps and will act as a mediator to determine a resolution. Every effort will be made to come to a resolution. This process shall not take more than 15 days.
